

8 DECENT WORK AND ECONOMIC GROWTH

GOAL 8

PROMOTE SUSTAINED, INCLUSIVE AND SUSTAINABLE ECONOMIC GROWTH, FULL AND PRODUCTIVE EMPLOYMENT AND DECENT WORK FOR ALL

TARGET

- Promote development-oriented policies that support productive activities, decent work, entrepreneurship, creativity and innovation.
- Encourage sustainable economic growth that focuses on social and environmental aspects as well as profit.
- Promote a healthy, safe and protected work environment for everyone.

ACTIONS

- Promote access to training, investment and skills to improve opportunities for employment.
- Optimize the use of global resources to reduce waste.
- Adopt safety measures in the workplace in line with regulations and best practices.

WHAT WE CAN ALL DO

- Become a spokesperson and make people aware of the importance of safety in their work and private lives.
- Collaborate with and respect people at work.
- Discourage the buying of fake or banned products.
- Support young people in their education, training and work.

8 DECENT WORK AND ECONOMIC GROWTH

BREMBO'S COMMITMENT

60 YEARS OF GROWTH, INNOVATION, AND SUSTAINABILITY (WW)

From a small shop in Sombreno (Paladina, Italy), Brembo launched an extraordinary business adventure that made it an Italian and global excellence, relying on the collaboration of over 12,000 people. A leading company in its sector, the Brembo brand has become synonymous with brakes all over the world.

TARGET

- Being a responsible group with strong attention to people, the environment, the community, and its contacts (stakeholders).
- Becoming an authoritative Solution Provider.

ACTIONS

- Global and digital approach and insertion of integrated sustainability within the corporate strategy.
- Implementation of a global and integrated compliance system featuring valid tools for the entire Group (Brembo Corporate and Compliance Tools) intended to guarantee a high ethical standard.
- Promotion of personnel growth and skills development.
- Investments in research and development to study increasingly more innovative and sustainable solutions.
- Spreading of an occupational health and safety culture based on listening and shared values.

RESULTS

- Brembo is the world leader and acknowledged supplier of disc brake technology for vehicles.
- Numerous prestigious awards in the area of sustainability such as, for example, the Cdp double A environmental assessment and the Ecovadis "Platinum Sustainability rating".
- Over 150,000 hours of training in 2020, despite the global pandemic emergency.
- 100% plants with ISO 45001 health and safety certification (year 2020).
- Increase of the organization by 1.6% compared to the previous year (2020).
- 91% local managers, in other words, natives of the countries in which they work for Brembo (year 2020).
